

Cookie Policy

COOKIE POLICY

SERVFIX / SERVMIX-GH

Last updated: 9 April 2026

1. Cookies We Use

Essential cookies are required for authentication, session management, and security. Disabling these may limit platform functionality.

Analytics cookies are used by Google Analytics to understand usage and improve performance. These cookies collect aggregated, non-identifying information.

2. Managing Cookies

You can manage cookies via your browser settings. Disabling essential cookies may affect functionality.

3. Changes

We may update this Cookie Policy from time to time.
