TERMS OF SERVICE

SERVFIX / SERVMIX-GH

Last updated: 9 April 2026

1. Platform Operator

The platform SERVMIX (also referred to as SERVMIX-GH) is operated by **THE ADDO'S PRIVATE LIMITED LIABILITY COMPANY (PLLC)**, a company incorporated in Ghana ("Company", "we", "us").

Website: <https://www.servfixgh.com>

2. Nature of the Platform

SERVMIX is an online service marketplace that enables users ("Buyers" and "Service Providers") to list and discover services, communicate with one another, and make and receive payments through third-party payment providers.

SERVMIX is not a service provider. We do not perform, supervise, or guarantee any services listed on the Platform.

3. User Accounts & Eligibility

You must create an account to use core features. You agree to provide accurate information, keep your credentials secure, and use the Platform lawfully. We may suspend or terminate accounts for violations of these Terms or applicable law.

4. Payments, Fees & Payment Protection

4.1 Payments All payments are processed through licensed third-party payment service providers. SERVMIX does not operate as a bank or financial institution.

4.2 Payment Protection When a Buyer places an order, the payment is processed by our third-party payment provider and recorded as secured in our system. Funds become eligible for release to the Service Provider after service completion and Buyer confirmation, or following dispute resolution. This process ensures that Buyers only pay for completed work and Providers are paid fairly for services rendered.

4.3 Platform Fees SERVMIX may charge transaction commissions, subscription fees, and promotional or visibility fees. Fees and applicable taxes will be disclosed before payment.

5. Disputes, Cancellations & Refunds

Buyers and Providers should first attempt to resolve disputes directly. Where unresolved, SERVMIX may review communications and evidence. SERVMIX may delay fund release and may issue refunds, partial refunds, or release funds to the Provider. All decisions are final within the Platform's dispute system. SERVMIX is not responsible for service quality, delays, or outcomes.

6. Provider Obligations

Service Providers act as independent contractors and are solely responsible for their services and compliance, including taxes on earnings. SERVMIX does not employ or endorse Providers.

7. Prohibited Conduct

Users must not provide false information, upload illegal or infringing content, misuse payments or platform safeguards, or attempt to circumvent the payment protection process.

8. Limitation of Liability

To the maximum extent permitted by law: SERVFIX is not liable for indirect or consequential damages; does not guarantee uninterrupted access or outcomes; and liability is limited to fees paid to SERVFIX in the preceding three (3) months.

9. Termination

We may suspend or terminate access at any time for violations or risk to the Platform.

10. Governing Law

These Terms are governed by the laws of the Republic of Ghana.
